

Dear Family and Friends,

We are excited to be planning the **7th Annual Building Men Program Breakfast** for this October 15th, and we are so very grateful for your past support of our program. We are writing to invite you to be a sponsor of this year's breakfast to support the young men of our community.

The Building Men Program's mission is to support young men of Syracuse in their journey towards becoming men of character by helping them develop their purpose and passion, instilling integrity in their leadership, and providing them with opportunities to build healthy relationships with others.

This year's Breakfast will be held on **Saturday, October 15, 2022, from 9:00-10:30 at Syracuse Institute of Technology at Central (ITC)**. The theme this year is **"Gathering the Tools for a Successful Future."** We will have our young men share what "Tools" they will need for the future and ask that our guests share their ideas as well! The breakfast will feature inspiring stories from our young men, slideshow of the past year, and new videos created for the Building Men Program. Details to follow.

Your support directly contributes to the programming we do throughout Syracuse to help young boys develop into men of character. With the help of our Sponsors, Syracuse City School District, and Community Partners, in 2021-22 we provided mentorship and programming to over 200 students in nine middle level schools and three high schools.

Now more than ever, your support of this year's Building Men Program Breakfast will help us continue this important work. Attached please find detailed information about sponsorship levels. Please return the attached sponsorship form by **September 9, 2022**. We encourage you to contact us by **September 2nd to become a Signature or Unity Sponsor** and receive the full benefits. Contact Christopher Bloome at Christopher.Bloome@NationalGrid.com or (315) 396-9393 if you have any questions.

With much thanks and appreciation,

Joe Horan, Founder and Executive Director
Christopher Bloome, Breakfast Committee Chair
